

IN THE MICHIGAN COURT OF APPEALS

ORDER

Re: **People of MI v Samuel Imanuel Webb**

Docket No. **274955**

L.C. No. **92-027574-FH; 93-000259-FH; 93-000260-FH; 93-000262-FH & 93-000269-FH**

William C. Whitbeck, Chief Judge, acting under MCR 7.201(B)(3) and 7.216(A)(10),
orders:

The delayed application for leave to appeal filed on December 13, 2006, is DISMISSED for failure to pursue the case in conformity with the rules. MCR 7.201(B)(3) and 7.216(A)(10). The Clerk of this Court provided notice regarding the nature of the defects in this filing, and the defects were not corrected in a timely manner by providing this Court with a copy of the February 25, 2006 order that defendant claimed to be appealing and current register of actions. Sending a copy of an order entered 7 weeks after this application was filed does not cure the defect. The Court would further note that this is not a *Halbert* case. *Halbert* involves those cases where the crime or crimes were committed after December 27, 1994, and a timely initial request for appellate counsel was denied.
